

PerfMaster Dash

Easy to use and affordable

Simple hand-crank operation

Continuous paper feeding without stopping

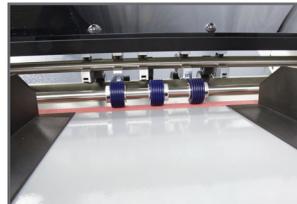

Supports a variety of paper types

Produce thousands of sheets per hour

**Change from
Perf to Score in Seconds!**

A simple, affordable semi-automatic perforating and scoring machine.

Top Friction Feed

Linear Perf Standard

Linear Score Standard

The COUNT PerfMaster Dash 18" semi-automatic perforating and scoring machine is ideal for lower volume, budget-conscious applications. The simple manual hand-crank operation makes the PerfMaster Dash easy for anyone to use.

Automatic top friction paper feed allows for continuous feeding without stopping. Feed single sheets, coated stock, multi-part forms, and open or glued edges. The hand crank can produce thousands of sheets per hour with minimal fuss, minimal cost.

PerfMaster Dash

A simple and affordable solution for lower volume perforating and scoring.

Features

- Easy-to-use hand crank operation is simple and affordable.
- Removable receiving tray and magnetic guide rails make for easy mobility and tabletop use.
- Quickly change from perforating to scoring in seconds.
- Easily set Perf/Score depth control.
- 18" wide feed capacity.
- Feeds single sheets, coated stock or multi-part open or glued edges.
- Magnetic paper guide rails on the feed table and receiving tray can be easily adjusted depending on the size of the paper.
- Optional support stand available for easy mobility.
