

The Most Features in a Compact Degausser

Ships Worldwide
with **CE** Mark

- Complete erasure of the latest high coercivity hard drives & tape.
- Microprocessor controlled sensors verify power and erasure.
- Process up to 300 drives/tapes per hour all day every day.
- Capable of operating from a standard wall outlet worldwide.
- Portable with Optional MIL SPEC Transport Case.
- Accommodates a wide variety of tapes and hard drives.
- Independently tested and verified for complete erasure of data.
- Certified independently to CE and ANSI electrical standards.

Large Hard Drives

Laptop Hard Drives

Standard Hard Drives

HD-3WXL Versatility

Optional Media Bins

Optional SW-1 Table and PD-4

Optional DDM-34 Package

Optional transportation case: Eliminate the risk of information loss during media transportation. Transport the HD-3WXL degausser directly to the location of the media. Remove the top of the case, plug in the HD-3WXL and go right to work!

HD-3WXL

High Security Hard Drive & Tape Degausser

The HD-3WXL is the most innovative product in the Garner line of degaussers. The HD-3WXL erases hard drives (laptop, desktop and network up to 1.66" high) and high coercivity tape media, including all formats of LTO (1,2,3,4), SuperDLT I & II, DLT, 9940, 3590, AIT, 8mm and more, all without any adapters. With a continuous duty rating (no cooling necessary) and a 9 second cycle time, large quantities of media can be erased in a very short period of time.

HD-3WXL Operations:

The HD-3WXL is exceptionally user-friendly. Simply slide media into the slot on the left side of the HD-3WXL. Within a fraction of a second your media is completely erased and after a few seconds will automatically slide out the right side of the HD-3WXL. It just doesn't get any easier than that!

Safeguards:

Built-in safeguards **check the stored power and field strength during each erase cycle** ensuring complete erasure every time. A field strength indicator on the display as well as a "Erase Complete" message report the status of the HD-3WXL to the operator.

Automatic Operation:

The HD-3WXL automatically cycles every time media is inserted. The automated function is triggered by a sensor in the media entry door. The user simply places the media in the HD-3WXL and the cycle begins!. The HD-3WXL will automatically erase the media and release the media down the exit slide.

SPECIFICATIONS	
Power Supply	100V-240V ±5%, 50/60 Hz - (Specify)
Power Consumption	Under standby 0.2A While charging 15.0A < 1 second At the time of ERASE 0.5A
Degausser System	Capacitive Discharge
Duty Cycle	Continuous
Erase Time	9 second repetitive cycle
Magnetic Field	9,300 Oe, .93 Tesla
Certifications	CE, ANSI
Erasing Area Size	1.70 in. (H) x 4.5 in. (W) x 6.75 in. (D)

Government Mandates:

The HD-3WXL will assist you in meeting compliance standards for government mandates requiring complete elimination of sensitive information stored on magnetic media prior to re-use or disposal including:

- **PCI DSS** (Payment Card Industry) Data Security Standard
- **NIST** (National Institute of Standards and Technology) Guidelines for Media Sanitization
- **NIST SP 800-36**
- **NIST SP 800-88**
- **HIPAA** (Health Information Portability and Accountability Act)
- **PIPEDA** (Personal Information Protection and Electronic Documents Act)
- **GLBA** (Gramm-Leach-Bliley Act)
- **California Senate Bill 1386**

Erase Verification Tests:

Hard drives erased with the HD-3WXL have been tested & verified by hard drive manufacturers, information recovery companies, private and governmental forensic laboratories which independently confirmed no data was recoverable.

Take data elimination to another level with the Garner PD-4

SPECIFICATIONS	
Media	Hard drives up to 1.66" high including full height, standard and laptop drives, tape cartridges including DLT, LTO, 3590, 8mm and more.
Temperature	41°F - 104°F (5°C - 40°C)
Humidity	10%H - 40%H (without condensation)
Weight	HD-3WXL: 65 lbs. (29.5 kg) Shipping: 75 lbs. (34.1 kg)
Size	L x W x H inches. 12.25 x 13.125 x 18.75 in. (w/o slide) 22.625 x 18.75 (w/slide)
Warranty	1 Year Factory Warranty Standard, Optional 3 Year Factory Warranty available.

Note: Hard Drives and some tapes are not reusable after having been erased with the HD-3WXL.
